

discover fridge colors

Your options for fridge colors don't start with white and end with stainless steel. Start thinking outside the icebox by taking a look at some colors and styles that aren't the status quo.

Price: The Big Chill Beach Cruiser series (pictured) starts at \$3,500; one-tone fridges start at \$2,700.

Retro Cool

Perfect for storing bottles of milk and TV dinners, Big Chill's refrigerators summon 1950s style while using modern parts. Big Chill doesn't turn back the clock on prices—most of their fridges start at \$2,700—but no one said finding a fridge that comes in kitschy colors like buttercup yellow and pink lemonade was cheap.
